7	Police Update		
	Mick Stepanian		
	December to February alcohol related crimes has risen .We have seen glassings occur on quieter venues		
	Bottleshop thefts has been reduced drastically with the install of glass cabinets		
	Product placement is vital in the reduction of theft in the bottleshops. If some items are getting targeted , secure them to another area . Pre mix is on the rise due to the alcohol bottles in lockables now.Use Bluelink to report thefts to police ,so they can monitor trending products		
	40 reported sexual offences . Be Vigilant .Making sure that they are aware of potential victims to fall prey , that patrons can make the correct decisions , eg Uber drivers.		
	Hotel intervention and cutting of patrons early for them not to be intoxicated		
	Venue Inspections have doubled , police being more proactive		
	Gaurds have said that police have targeted venues , where the case is that police require the information		
	Mid range drink driving has increased		
	Barring Notices - Triplicate document Book. Available from Mick. You will need to send a high defination logo to Mick, to be registered . You will be sent a PDF , requiring you to send a logo attached , you complete the document, police will serve the notice,
